Clarksville Junior Golf Tour

Weather for this week looks really HOT. Please hydrate this weekend and come prepared with sunscreen on and a water.

We have noticed a few trends the past events with uncertainty of golf rules. The score keeper for 3 and 6 hole divisions have rules on the back of their clipboard paper. If further ruling is necessary, please contact Scott or Brad. Their numbers will be on the scoring sheet. The 9 and 18 hole divisions do not usually have special rules unless given by the particular golf course and specific to a certain golf hole. If further ruling is necessary with these divisions they may also contact Scott or Brad. Please be in mind that parents are not to give rulings for 9 and 18 hole divisions. If the players do not know what the process is for the situation, please contact Scott or Brad or play a second ball and ask at the scoring table. Players may remind other players of rules if needed. Such as, if a player whiffs (misses the ball once approached with the intention to hit) the player counts a stroke. If the player does not count it, the other player may question it. This must be settled before the next hole begins.

End of the season awards will be presented after all divisions are complete on Monday, June 20 on the Clarksville Country Club patio.

## SPECTATORS

Parents are encouraged to watch and support their player. Parents are not allowed to coach players. There will be an assigned score keeper for each tee group in the 3-hole and 6-hole divisions. That person will be allowed to guide all the players in their group when needed. The assigned score keepers will report the official score for their group. Other spectators are expected to stay on the cart path. Children under 6 years old are not allowed on the golf courses. This also includes no strollers or body carriers for small children.

### ~ Dates to Highlight ~

Event 3- June 13 Swan Lake

Event 4- June 20 Clarksville Country Club

Hank Miles Clarksville Jr City AM June 15 & 16 @

Swan Lake registration on the website

## CJGT Alums playing college golf

McKinley Cunningham- Ole Miss

Sadie Pan- University of Cincinnati
